

Dear Patients,

Thank you for choosing Rees Chiropractic! My name is Dr. Loren Rees, and I'm looking forward to talking to you about your health goals at your initial appointment.

Please print the 5-page "Rees Chiro Web Intake Form".PDF. Then, take a little time to fill it out in ink, as the information you provide gives us a better understanding how to better serve you. Remember that too much information is much better than not enough, so be as thorough as you can about your history.

Don't forget to bring the following things with you to your appointment:

- Completed paperwork (5-pg "Confidential New Patient Intake Form")
- Insurance information/card
- Valid state ID/drivers license

Please contact the office with any questions that may come up. Our phone number is **781-741-5300**.

Or, you can email me directly at lmrdc@reeschiropractic.com

Further information about our clinic - and a map to the office - can be found at www.southshoredc.com

Again, I look forward to working with you.

Warm Regards,

Dr. Rees
